Thanks for the summary Simma and thank you all for your work. Sorry for late response, been in training all am.

So will R4 be reaching out to FDEP today to answer the first question?

Re the second question, I agree with your assessment but I also think there needs to be additions to the language and an additional strike see below in

Re your last question, I am out of the office Friday afternoon, but can take my phone with me if I need to review something.

Mary,

As discussed during our briefing, here's a summary of the relevant portions of the Notice of Change impacting the 5-year permit and long-term conceptual planning document language. Simma Kupchan (OGC) and Kathy Hurld (OWOW) had some additional thoughts on this which I'm happy to forward if it would be helpful.

Thank you,

Matt
